TOGETHER, WE ARE BRINGING TANGIBLE HOPE TO THE WORLD.
In partnership with key Christian ministries, our mission is to strategically fund qualified healthcare professionals to serve the physical and spiritual needs of people around the world.

Dear Friend,

2019 was quite a year in the history of MedSend. God’s provision for the ministry has been abundant! As He has so faithfully done over the years, He has once again provided in ways which we could not have imagined.

This year, we celebrated 27 years of the ministry, and with that, came one of the biggest changes we’ve made. As of December 2019, we officially transitioned our headquarters from Stratford, Connecticut to Fort Mill, South Carolina. With the generosity and support of our associate partner, SIM, we were able to secure office space for our team within their SIM International location in Fort Mill.

Some of the significant moments of 2019 include:
- Hosting a member care retreat for 34 grant recipients and families in Orlando, Florida
- Providing support for 7 additional National Scholars
- Expanding our services to include a missions mobilization initiative for churches

These moments are examples of the way in which God is continuing to expand and grow the MedSend ministry in new directions. Through the healing work of the more than 196 MedSend grant recipients currently serving, God is reaching the hearts of people around the world. The mere presence of highly skilled doctors, nurses, and other healthcare providers in villages and mission hospitals where poverty and lack of access have meant death for so many people provides a tangible hope that opens the door for spiritual impact.

We anxiously await where God will take us in 2020. We are so grateful for your prayers and support, and thank you for joining with us to reach even more people with the Good News of Jesus Christ.

In His Service,

Rick Allen
President & CEO

OUR MISSION

Rick Allen
Thanks to the faithful support of MedSend partners, God blessed MedSend with our highest donation year in history, with over $3.1 million. The availability of more financial resources means we are able to make an even larger impact for Christ. From this annual report, you can see the fruit of the ministry with those who are experiencing the love of Christ because of your faithfulness.

“So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.” 2 Cor. 9: 7-8 (NKJV)

Morgan D. Boardman, CFRE
Chief Development Officer

Over 1.2 Million
provided with compassionate care in the name of Christ from a MedSend grant recipient

43% are serving in difficult and dangerous mostly unreached areas.

5% are serving in underserved areas of North America, in the U.S.

23% are serving underserved and unreached populations in Asia.

2% are serving in Europe.

10% are serving in unreached and underserved areas of North Africa and West Asia.

50% are serving in mostly underserved areas of sub-Saharan Africa—some of the poorest countries in the world.

10% are serving in underserved areas of Central and South America.

* (Includes gifts from previous year pledges)
